

The Protection Guide

Ultimate Protection

Keep it clean with Fat Hog's protective sheeting range. With a variety of products to choose from, the Hog makes sure you can prepare and protect whatever the environment.

Dual Layer Drop Cloth

The Fat Hog Dual Layer Drop Cloth is designed for ultimate protection. It incorporates an advanced dual layer system making the sheet 100% leak proof and provides the user with anti slip features whilst being tough and durable.

- > 3 times more fabric for super absorbency
- > Dust proof
- > Helps eliminate paint tracking
- > Drapes comfortably over furniture
- > Non slip backing

PRODUCT CODE	DESCRIPTION	SIZE
FI0160	Dual Layer Drop Cloth (Single)	12' x 9'
